"Where the Roads Come Together"

*None of us is born the same, we don't know why;
It's the way we came.*

*Every heart beats
a little differently,*

*Each soul is free to find its way
Like a river that winds its way to
the sea.*

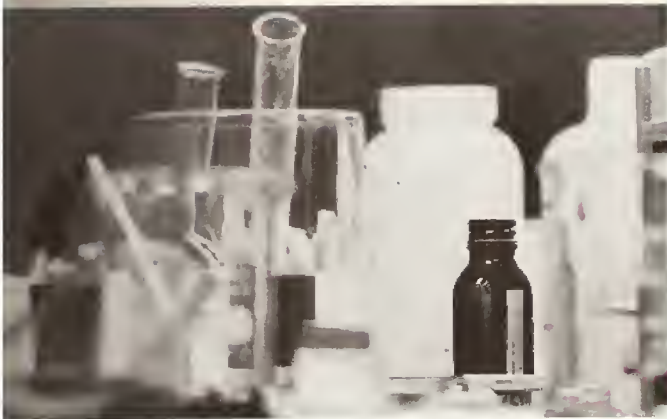

*For life is a journey and there
are many roads beneath the
sky.*

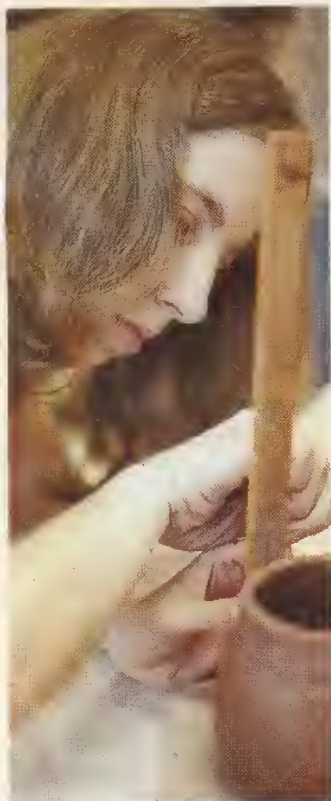

*And there are many good
people who don't see eye to
eye.*

*Not every man can sing your
tune,
From where he stands there's
another view.*

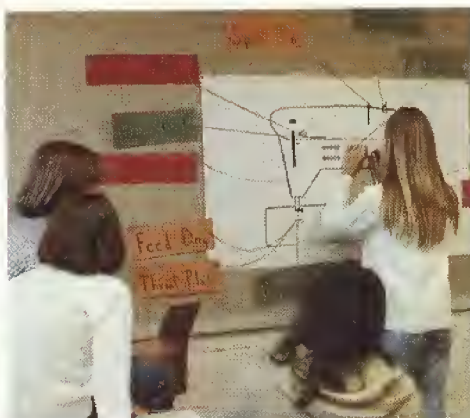

*With every turn we're learning
more and perhaps we'll find
that the walls we build are
only in the mind.*

There are many roads to go,

and they go by many names

They don't all go the same way,

But they get there all the same.

*And I have a feeling that we'll
meet someday
Where the roads come
together up the way.*

DEDICATION

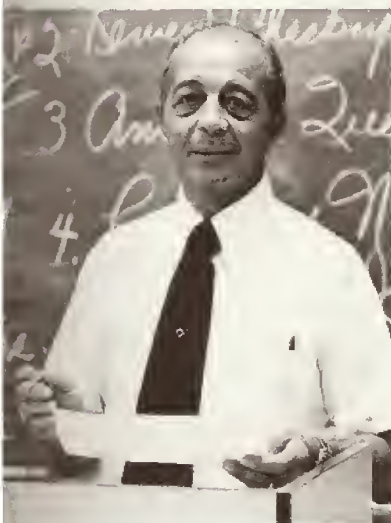

MR. GERALD CUNIFF

We the Class of 1979 would like to dedicate our JOURNAL to you Mr. Cuniff. The interest and enthusiasm you have shown in our class has made our four years at Taunton High School very special, and these memories will always be with us. You've been our teacher, our coach, our class advisor, but most of all our friend.

With love and best wishes,
THE CLASS OF 1979

FACULTY

MR. PETER P. GEORGE

Together we have reached a milestone in your educational development — graduation.

The self-discipline and manner in which you have conducted yourself exemplifies the pride we have in our academic community.

As you leave others the responsibility of continuing academic life here at Taunton High School, let us hope they continue to harbor within themselves this same pride.

May success and happiness be yours.

FINAL TEST

Taken today, this test would seem simple, but take this 15 or 20 years from now and see how you do.
(Give yourself 10 points for each question you can answer)

1. What was the theme song from the Junior Prom?
2. Who was the librarian?
3. What was your locker combination?
(Subtract 5 points if you left something in it)
4. What was the date of graduation?
5. Can you name 5 people who were on the student council?
6. Do you remember who used to say "Today is day 4 and the lunch token is . . ."?
7. Can you name 5 varsity athletes and match them with their numbers?
(Subtract 5 points if you named yourself)
8. Can you remember the name of the school newspaper?
9. Do you remember who you went to the Senior Prom with?
(Subtract 5 points if you married them)
10. Do you remember how much you paid for this yearbook?

Cross Country

Under the guidance of Ed Lussier, the T.H.S. Cross Country team dominated the Southeastern Mass. Conference for the second year in a row with a terrific league record of 6-0.

The T.H.S. Varsity Volleyball team once again became the Division I champs with a great 8-2 record. This year's success may have been surprising, but it was the result of a lot of determination and hard work by all of the team members. The season was an outstanding climax to the very productive eleven year coaching career of Elizabeth Paquette.

Guaranteed Pay for Two Summers

If you qualify under the new split-option program of the United States Army Reserve, you can enlist now (up to 6 months before the end of the school year), go to 8 weeks of basic training next summer, then complete your individual specialized training the following summer. You'll have no interruption of your school year. During your summer training you'll receive full pay and allowances (about \$900 for the summer). You'll also be paid for one weekend a month while you train near home during the school year. (That amounts to more than \$50 a month.)

It's a great way to get a head start on your skill training, and get paid while doing it!

Hundreds of skills open to those who qualify. Why not contact your local Army Reserve Recruiter today and ask about the split-option program:

To Our Editor in Chief

Kilian Sullivan

The 1979 Journal Staff wishes to express its sincere appreciation and thanks to the editor in chief of our Journal, Kilian Sullivan. She accepted a great responsibility and dedicated herself to producing a yearbook which will be meaningful for many years to come. Through patience, endurance, and countless hours of hard work, she has succeeded in every respect.

The staff of the 1979 Journal would like to extend its appreciation to all those who helped to make this yearbook a success. We would especially like to thank Mr. Richard Januse, our advisor, Mr. Peter P. George, Mr. Arnie Lohmann and the Taylor Publishing Company, Mr. Mike Marston and Dodge-Murphy Studios, Up With People*, the Taunton Daily Gazette, the faculty of T.H.S. and the businessmen of our community. We would also like to thank the class of 1979 and their parents for all the support they have given us throughout our four years here.

Taunton High School has been an important crossroad in our lives, and we hope that this book will be a lasting remembrance of all the good friends we've made, and all the good times we've shared.

We leave our best wishes and hopes for the success and happiness of everyone at Taunton High School.

The Crossroads of Life

*They tell us Life is but a dream,
And now we can agree,
For every hour we've spent in school,
Is naught but memory.*

*Another year has slipped away,
Into the vast unknown,
Leaving us standing here beside,
Life's crossroads, quite alone.*

*'Tis at this point our ways do part,
And now we bid adieu,
To our countless friends and classmates,
Whose bonds have been so true;*

*And as we go in varied ways,
Our goal in view, no less,
Should be to reach, by word and deed,
The summit of Success.*

James V. Wyman
